## SCHOOL STATUS PARENT NOTIFICATION (Revised 2-15-2018)

Dear Parent(s)/Guardian(s):

In December 2015, the *Every Student Succeeds Act* (ESSA), the replacement for the *Elementary and Secondary Education Act* (commonly known as *No Child Left Behind*) was signed into law. In an effort to ensure parents of student who attend Title I schools are notified on how well their school is preparing its students for college and/or a career, our district mandates all schools inform parents of their College and Career Ready Performance Index (CCRPI score). The comprehensive report card for all schools in Georgia, provides a score between 0 - 100 for each school-measuring how well the school is doing in preparing its students to be successful in college and/or a career.

Morrow Elementary's College and Career Readiness Performance Index (CCRPI) score for school year 2016-2017 is 80.5, an increase of 6% from 2015-2016. Parents can find more information about the details of the score at the following website: <http://ccrpi.gadoe.org/2017/>. The increase raised Morrow's grade from C to B as recorded by the Governor's Office of Student Achievement (GOSA). GOSA provides school reports for all public elementary, middle and high schools in Georgia. The Georgia School Grade Report website is: <https://schoolgrades.georgia.gov/>.

I am very proud to tell you that Morrow Elementary is a Title I school that is continuing to provide a quality education to all of our students.

At Morrow Elementary, we take pride in the teaching we provide for our children. Our teachers and staff members work very hard to meet the needs of all students to ensure they achieve at their highest potential. Based on our 2017-2018 summative data, our targeted sub group for math in grades 2-5 earned the High Flyer Award for academic excellence. Additionally, our ESOL students also showed substantial growth in Access grade bands.

An important part of Morrow Elementary's success is parent participation and support in developing activities to improve student achievement. We hope that you will become engaged in our school improvement work as we continue to monitor student achievement and set high expectations. If you are interested in participating in the development of our school improvement plans, being a part of our family engagement team or have questions about how you can better help your child in school, please contact Tammy Burroughs, principal, at (770) 968-2900 or by email at [tammy.burroughs@clayton.k12.ga.us](mailto:tammy.burroughs@clayton.k12.ga.us).

Thank you for all that you do to support your child's education.

Sincerely,

Tammy W. Burroughs  
Principal
