**Title I 1% Budget Survey**  
**Morrow Elementary School**  
**Clayton County Public Schools District**  
**October 11, 2016**

Dear Parents,

We value your input! As a parent of a child who receives Title I services in our school, you have the right to give input about how the school district budgets and spends its Title I Parental Involvement money. In the spring of 2016, parents completed a survey regarding Parental Involvement at Morrow Elementary. Over the next few weeks, our school will hold various meetings with parents to revise our school's parental involvement policy for next school year. We hope you take time to fill out the survey or participate in one of these meetings. Results from the survey are as follows:

1. Parents stated that they like having a parent involvement coordinator at the school.
2. Parents stated they would like more assisting helping their children with homework.
3. Parents stated they would like more evening meetings, workshops, school activities, etc.
4. Parents stated they wanted information regarding the use of technology.

We have \$1876 in the Title I -1% Parental Involvement budget. Last year, we spent the money this way:

Amount Spent (in percent)	<b>2015-2016 – 1% Parental Involvement Budget</b>
<b>65%</b>	<b>Supplemental materials to support instruction at home</b>
<b>10%</b>	<b>Activities to encourage parent engagement and volunteering in schools</b>
<b>15%</b>	<b>Workshops focused on instruction and curriculum for your student</b>
<b>10%</b>	<b>Supplies to support communication between school and home</b>
	<b>Other:</b>

---

This year, given our parents' request for assistance in math, we are offering workshops to address that need. We will continue to purchase materials, books, etc to support learning at home. We would like to spend the Title I Parental Involvement budget this way:

<b>2016-2017– 1% Parental Involvement Budget</b>	
<b>Amount To Spend (in percent)</b>	
<b>60%</b>	<b>Supplemental materials to support instruction at home</b>
<b>10%</b>	<b>Activities to encourage parent engagement and volunteering in schools</b>
<b>15%</b>	<b>Workshops focused on helping parents use technology to help their children at home.</b>
<b>10%</b>	<b>Supplies to support communication between school and home</b>
<b>5%</b>	<b>Magazine subscriptions sharing parenting advice</b>
	<b>Other:</b>

Do you agree with how we have budgeted parental involvement funds for this school year?

No

If no, why not? \_\_\_\_\_

Do you have any other suggestions for the use of funds? These will be taken into consideration for this school year and future school years.
