Dear Parents,

Welcome to Morrow Elementary School! I am Tony Keel, Title I Parent Liaison for Morrow Elementary School. The Title I Parent Liaison implements a parental involvement program that creates partnerships among schools, parents, and community members. The liaison provides workshops to get parents involved in their child's academic success.

Morrow Elementary has a parent resource center for parents to use as needed. The resource center is located in the Media Center. The center is open Monday-Friday from 8 am to 3 pm and after hours by appointment. The resource center is full of valuable parenting and volunteer information. There are computers for you to use as well. Additionally, there is educational and community information to assist you and keep you informed. We also have a Parent lending Library for you to check out items to use at home.

If there are some resources you would like to have and do not see them in the room, please let me know. You can reach me at 770-968-2900 or via e-mail: [anthony.keel@clayton.k12.ga.us](mailto:anthony.keel@clayton.k12.ga.us). I look forward to hearing from you.

Throughout the year, I will offer training workshops and activities that help your child achieve academic success. You will also learn ways to teach your child to become problems solvers and responsible students. Let us work together to help your child maximize their potential.

Sincerely,

Tony Keel  
Title I Parent Liaison
